by brush fires

reduction bill. The amendmenta made by the committee fix the tax on beer at \$1.50 per barrel and on to-bacco, cigars and anuff at aline central approach. The tax on bank checks is removed and that on telegrams and express receipts is repealed.

Altogether the bill provides for a reduction of nearly \$40,000,000. Taxes are repealed on the following: Promissory notes, mortgages, bills of lading for export, powers of attorney, protest, charter party, certificates of all kinds, leases, warehouse receipts, telegraphic dispatches, telephone messages, express receipts, freight receipts, bonds except bonds of indemnity, legacies for religious, charitable, literary or educational institutions, and commercial brokers.

Venezuelas Situation Threatening.

a. 28.- The Venezuelan Situation Threatening. Washington, Jan. 28.—Despite the protests of administration officials, if

Three Present Silled on the Track.

Bowmanville. Ont., Jan. 23.—Herbert Hallett, of Whitby, and his two
cousins, Relen and Amelia Knight, of
Bowmansville, were instantly killed
by a Grand Trunk train near here yeatendey. They were driving and attempted to eross the tracks. All three
bodles were carried to the station on
the front of the engine.

The Ryatt Patent Bill Rifled.

Washington, Jan. 29.—The house committee on patents yesterday killed the bill to extend the life of the Ryatt patent on which over 250 cities and towns are paying royalties in connection with their filtration plants. The bill was vigorously opposed by the municipalities interested.

Thickest Vida of Coal in Kassas.

Mound City, Kan., Jan. 28.—C. E. Smith, an experienced miner, says the 58-inch vein of coal struck at this place at a depth of 300 feet is the thickest veto in the state. The coal is hard, jet black and glossy and nearly squal to anthracite.

SENATE REVENUE BILL

Wail-Known Relieved Man Dies Soddenig-St. Joseph, Mo., Jan. 28.—William Coleman, a well-known railroad man, for five years to charge of the ac-counting department of the St. Jo-seph & Grand Island railway, died suddenig here yesterday.

LIMITS SUBSIDIARY COINAGE.

New Currency Bill Contains a Provision That May Almont Remove Silver Del-lare from Circulation,

Washington. Jan. 26,-The currency Washington. Jan. 26.—The currency bill reported by the house committee contains one feature which will create widespread discussion. Under the old law there is a limit on subaddiary coinage. This is repealed in the new and the secretary of the treasury is authorized at his discretion to call in either dollars and coin them into halves, quarters and dimes. The probable effect will be to make the silver dollar almost a curiosity before many years have passed, while hard money will be in the form of gold and subsidiary silver colus.

Book Drifted to Housetops.

Beattle, Wash., Jan. 29.—The two week's anow blockade of the White Pass & Yukon railway in Alsaka was broken January 19, according to advicus received by the freighter Ruth. During the night of the 18th Skaguaw experienced one of the worst blizzards ever known in the north, the snow drifting in several streets to the height of one-story house tops.

Too Many Bank Notes.

Washington, Jan. 26.—The expansion of \$100,000,000 in bank note issues, under the act of March 14, 1900, seems to have resulted in putting more of this kind of currency in circulation than is needed, judging from the increasing amounts that are conting to the treasury for redemption.
